## Album of the Year

If you could win an award for Best Album of the Year, would you record rock music, pop music, jazz, classical music, country music, or your own combination of musical styles?

Choose your musical style, then name your best-selling album (and also the name of your band, if need be.) Design your album cover below.

What is the name of your band?

What is the name of your album?

If you had to give a speech on stage when getting your award, what would you say?  
Remember, your speech will be seen on TV by a lot of people!

What are some of the lyrics in your songs? What type of message do you want to tell people in your songs?

What musical style did you pick? Why did you pick this style?

What other songs do you like to listen to in this style?

Now go and listen to some of those songs on youtube! For extra credit, you can write a review on one of the songs you listened to! Why do you like it?
