MUSIC BINGO!

It's BINGO time…MUSIC style! Pick a box on the board (or more!) and complete it, clicking the links or following directions as needed. When done, cross off the box. See if you can get 3 in a row across, up and down, or diagonal! Email sgritz@d56.org with what you finished, or any questions you might have.
You do NOT have to do all of the boxes!

Recorder	Song Critic	Recorder
Can you create a song on your recorder? If so, video yourself playing, and send it to sgritz@d56.org	A song critic is someone who reviews and gives opinions on songs. Your job will be to listen to any song you like, then click HERE to review the song!	Pick a song from the recorder packet, record a video of yourself playing, and send to sgritz@d56.org Here are the video lessons on the recorder HERE if you need help!
Antonio Vivaldi	**Note Name Poem**	**Listening**
Click HERE, listen to the story about Vivaldi by hitting the "play" button, then try the quiz! Screenshot and email it to sgritz@d56.org	Click HERE to open a worksheet that will help you practice your note names. Download to goodnotes. Remember, the lines are EGBDF, and spaces are FACE	Click HERE and listen to one of the songs on the website. When done, click HERE
Theme Song	**Illustration**	**Percussion Family**
Create a theme song in Garageband for a video game character. See HERE for instructions	Listen to any song you want and draw a picture of what you hear. You can use sketch a school. Email to sgritz@d56.org when done!	Click HERE to explore the percussion family. Read and listen about each instrument. When done, click HERE

Theme Song

*If this is too hard for you to figure out on your ipad, try a different square :)

Steps…

1. Pick a video game or app that you like to play
2. Pick a character from that video game. Make sure it's a pretty important character.
3. Now go to your Grageband app…it looks like this —->
4. If you can't find it, go to your Zulu desk app and download it
5. I like to swipe until you see "Drums" and click "Beat Sequencer" (but you can pick any instrument you like!)
6. Try to create a beat or pick some musical loops to create a theme song to fit your character
7. When you finish your song, hit the "page" button in the top left to go back to the main screen
8. Then, hold down your finger on your song until a menu appears
9. Pick "share"
10. Pick "song"
11. Pick "share" in the upper right
12. Pick "mail"
13. Type in my email address: <u>sgritz@d56.org</u> then send!
