

MUSIC BINGO!

It's BINGO time...MUSIC style! Pick a box on the board (or more!) and complete it, clicking the links or following directions as needed. When done, cross off the box. See if you can get 3 in a row across, up and down, or diagonal!

Email sgritz@d56.org with what you finished, or any questions you might have.

You do NOT have to do all of the boxes!

African Reading

Click [HERE](#) to read and listen to information on Africa. Don't forget to email sgritz@d56.org with one thing you learned!

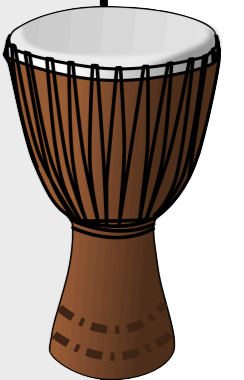

Song Critic

A song critic is someone who reviews and gives opinions on songs. Your job will be to listen to any song you like, then click [HERE](#) to review the song!

Djembe Lesson

Click [HERE](#) to watch a mini lesson on the djembe drum, the drum Ms. Gritz played in class! When done, email me the 4 parts of the djembe at sgritz@d56.org

Antonio Vivaldi

Click [HERE](#), listen to the story about Vivaldi by hitting the "play" button, then try the quiz! Screenshot and email it to sgritz@d56.org

Rhythm Math

Click [HERE](#) to work on a worksheet of rhythm math. Open in goodnotes. Remember, the note values are at the top! If you already did this in music class, pick a different box!

Listening

Click [HERE](#) and listen to one of the songs on the website

When done, click [HERE](#)

Theme Song

Create a theme song in Garageband for a video game character. See [HERE](#) for instructions

Dance Break

Put on a fun song and dance! Sing along too if you want! Try going to Go Noodle if you need something to dance to!

Woodwind Family

Click [HERE](#) to explore the woodwind family. Read and listen about each instrument.

When done, click [HERE](#)

Theme Song

***If this is too hard for you to figure out on your ipad, try a different square :)**

Steps...

1. Pick a video game or app that you like to play
2. Pick a character from that video game. Make sure it's a pretty important character.
3. Now go to your Garageband app...it looks like this -->
4. If you can't find it, go to your Zulu desk app and download it
5. I like to swipe until you see "Drums" and click "Beat Sequencer" (but you can pick any instrument you like!)
6. Try to create a beat or pick some musical loops to create a theme song to fit your character
7. When you finish your song, hit the "page" button in the top left to go back to the main screen
8. Then, hold down your finger on your song until a menu appears
9. Pick "share"
10. Pick "song"
11. Pick "share" in the upper right
12. Pick "mail"
13. Type in my email address: sgritz@d56.org then send!
