

MUSIC BINGO!

It's BINGO time...MUSIC style! Pick a box on the board (or more!) and complete it, clicking the links or following directions as needed. When done, cross off the box. See if you can get 3 in a row across, up and down, or diagonal!

Email sgritz@d56.org with what you finished, or any questions you might have.

You do NOT have to do all of the boxes!

Recorder

Can you create a song on your recorder? Try including dynamics (see the box to the right) If so, video yourself playing, and send it to sgritz@d56.org

Dynamics

Click [HERE](#) to learn about Dynamics, or how loud and soft music is.
When done, click [HERE](#) for a dynamics matching coloring sheet! Open in Goodnotes! Send to sgritz@d56.org when done!

Recorder

Pick a song from the recorder packet, record a video of yourself playing, and send to sgritz@d56.org Here are the video lessons on the recorder [HERE](#) if you need help!

Ludwig Van Beethoven

Click [HERE](#), listen to the story about Beethoven by hitting the “play” button, then try the quiz! Screenshot and email it to sgritz@d56.org

Note Name Game

Click [HERE](#) to play a note name game online! Make sure to hit the “PLAY” button to start. Scroll down on the page for a reminder on the note names!

Listening

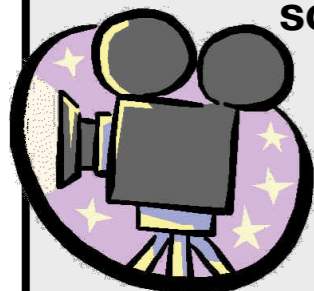

Click [HERE](#) and listen to one of the songs on the website

When done, click [HERE](#)

Theme Song

Create a theme song in Garageband for a MOVIE character. See [HERE](#) for instructions

Create an Instrument

Can you make an instrument from random objects around your house? Click [HERE](#) if you can!

Brass Family

Click [HERE](#) to explore the brass family. Read and listen about each instrument.

When done, click [HERE](#)

Theme Song

***If this is too hard for you to figure out on your ipad, try a different square :)**

Steps...

- 1. Pick a movie that you like**
- 2. Pick a character from that movie. Make sure it's a pretty important character.**
- 3. Now go to your Grageband app...it looks like this -->**
- 4. If you can't find it, go to your Zulu desk app and download it**
- 5. I like to swipe until you see "Drums" and click "Beat Sequencer" (but you can pick any instrument you like!)**
- 6. Try to create a beat or pick some musical loops to create a theme song to fit your character**
- 7. When you finish your song, hit the "page" button in the top left to go back to the main screen**
- 8. Then, hold down your finger on your song until a menu appears**
- 9. Pick "share"**
- 10. Pick "song"**
- 11. Pick "share" in the upper right**
- 12. Pick "mail"**
- 13. Type in my email address: sgritz@d56.org then send! Try to remember to let me know what character it is :)**

Create an Instrument Instruction

Steps...

- 1. Find different materials from around your house.**
- 2. Examples are empty kleenex boxes, rubber bands, cardboard, and anything else you can think of!**
- 3. Try to create an instrument out of those materials**
- 4. Take a picture of your finished instrument OR take a video of you playing your instrument**
- 5. Send the picture or video to Ms. Gritz at sgritz@d56.org**
